Dear Ms . Auterio ,

I hereby order you to remove two (2) underground storage tanks that are located at this address . The two (2) tanks are an abandoned gasoline tank , and the empty toluene tank . This order is made under the authority granted the Fire Chief by The Massachusetts Board of Fire Prevention Regulation 527 CMR 9.00 .

This removal is to be done in conjunction with your installation of the ground water monitoring wells . The removal work should be scheduled for the week of 3/16/87 . You will notify this office of the exact date and time of this removal so I can be present . You will also notify the Department of Environmental Quality Engineering (Ira Babroudi , D.E.Q.E) Site Assessment Clean Up Officer .
